Greetings

인사말

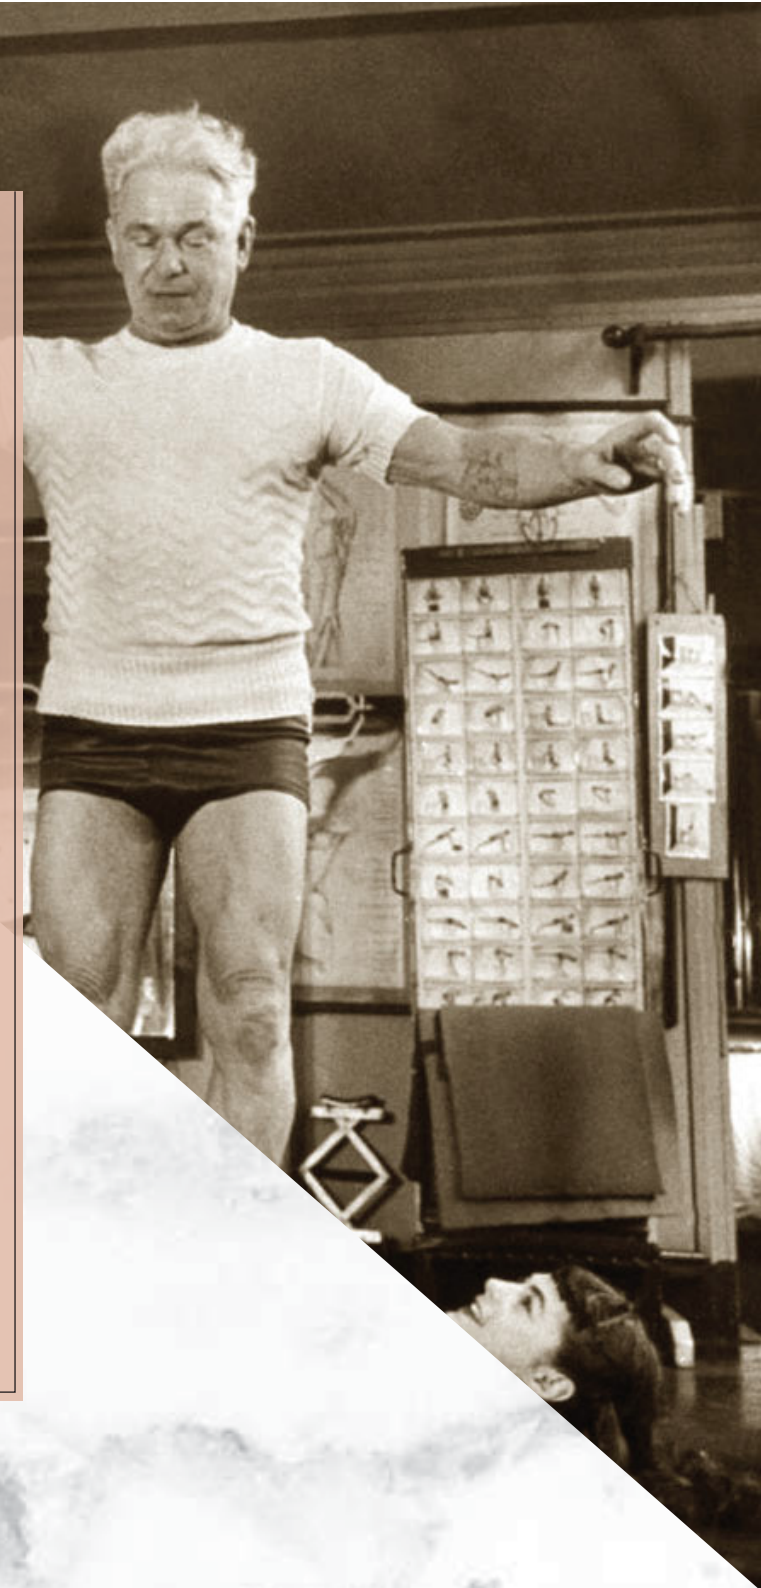

intoPilates Co., Ltd aims to manufacture more basic Pilates apparatus through a custom-made production system. We are working hard to make the best Pilates apparatus paying careful attention to from the selection of wood and to the very small bolt. Because of our Pilates apparatus, Pilates has been already gradually proliferating not only as a rehabilitation exercise but also as training in Korea. However, in order to become truly popular, it true that some factors are needed to support and improve. AS expensive imported apparatus also attributes to the hindrance of Pilates growth, intoPilates is aiming to contribute to the popularization of Pilates by the smooth supply of apparatus. Since it is a challenging product that to produce without craftsmanship, we produce products with a flat-out effort in every process and provide continuous A/S for customer satisfaction.

We are the first company in Korea to manufacture only Pilates apparatus and manufacture and manage all products directly.

CEO 이명곤

Management philosophy

- Customer-oriented management
- Quality-first management
- Efficient management

레더바렐

■ Ladder Barrel
- L 1150 X W 615 X H 900 MM

The **Ladder-barrel** is an apparatus made by combining a round curved barrel with a ladder for stand up stretching and barrel movements, particularly for high-level movements with various experiences. It is one of the important rehabilitation tools to help relieve stressful tensions, enhance flexibility, prevent damage, and help restore weakened muscles.

Control for Custom

The length adjustment allows individually adjusted exercise appropriately.

Ladder Barrel

The Ladder barrel is a Pilates apparatus suitable for stretching movements. Especially it is useful for ballerinas or dancers to stretch their body.

Ladder Barrel

■ Function : You can adjust according to your body and athletic ability and can make high-level motion efficiently and easily.

Distance Control
거리조절

The four locking levers can be released for free adjustment to the sliding devices. After adjustment, lock the locking lever.

Caution
사다리 주의사항

Use it after completely fixing the top of the step.

Standing-Plate
스탠딩 플레이트

Standing plate (optional) can be installed if you're short or inflexible according to your exercise.

Barrel
물통

Aesthetic Design

The ladder and barrel parts are combined harmoniously, so the satisfaction of the functionality, as well as the aesthetics, is high.

Distance Control

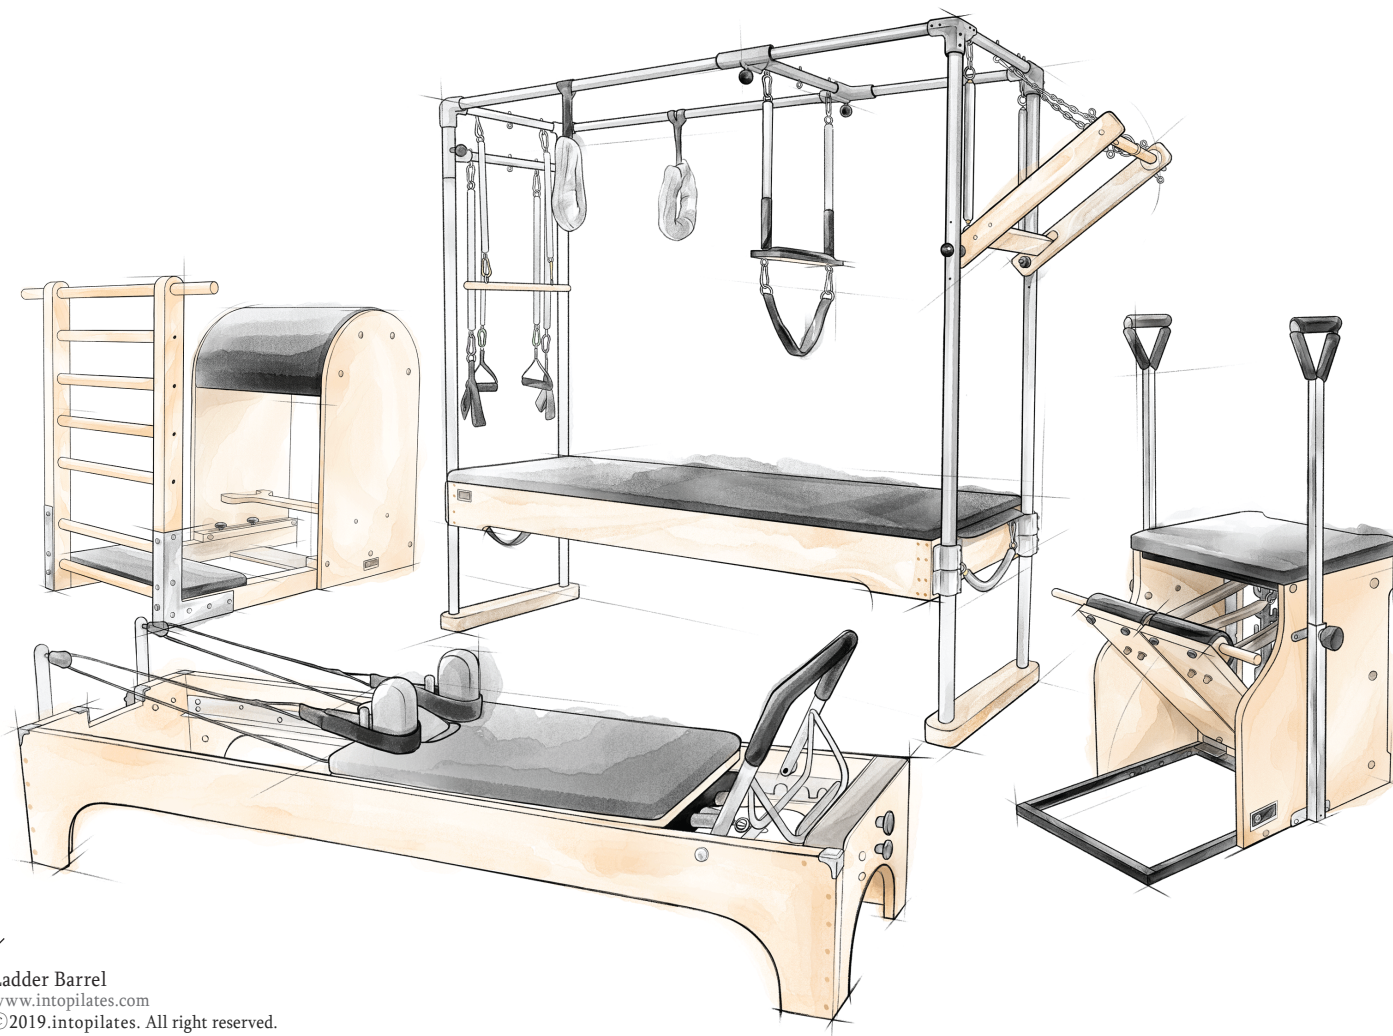

The four levers enable safe and easy adjustment of the distance between the ladder and barrel to suit your body.

Easey Use

It allows various standing or sitting movements and does not take up much space.

Standing Plate

The standing plate, which is an optional purchase, makes it easy use by a wider variety of people.
