인사말

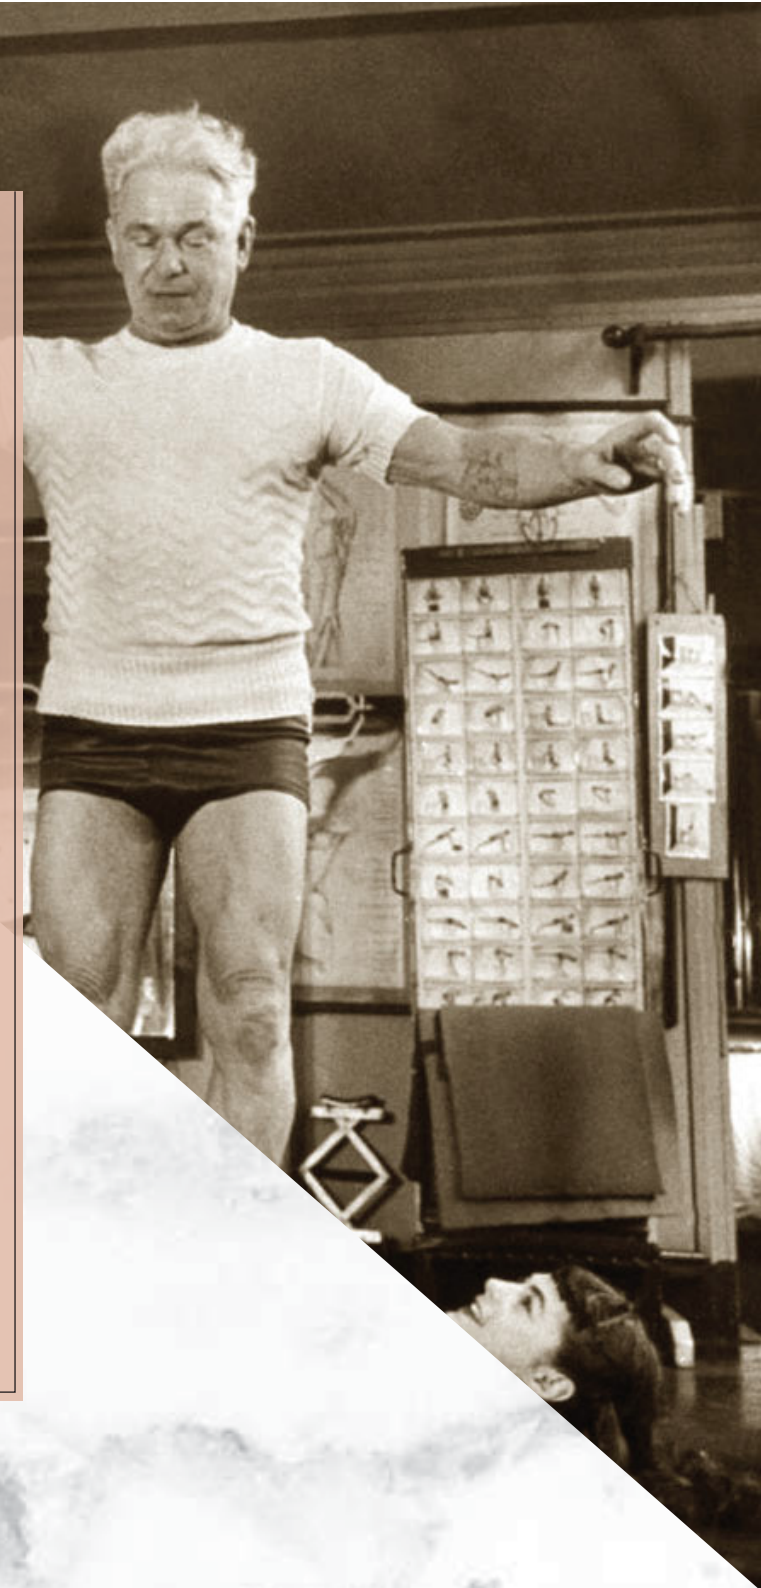

intoPilates Co., Ltd aims to manufacture more basic Pilates apparatus through a custom-made production system. We are working hard to make the best Pilates apparatus paying careful attention to from the selection of wood and to the very small bolt. Because of our Pilates apparatus, Pilates has been already gradually proliferating not only as a rehabilitation exercise but also as training in Korea. However, in order to become truly popular, it true that some factors are needed to support and improve. AS expensive imported apparatus also attributes to the hindrance of Pilates growth, intoPilates is aiming to contribute to the popularization of Pilates by the smooth supply of apparatus. Since it is a challenging product that to produce without craftsmanship, we produce products with a flat-out effort in every process and provide continuous A/S for customer satisfaction.

We are the first company in Korea to manufacture only Pilates apparatus and manufacture and manage all products directly.
